

I Have a Dream, a song to sing
To help me cope, with anything
If you see the wonder, of a fairy tale
You can take the future, even if you fail

I believe in angels Something good in
everything I see

I believe in angels When I know the time is
right for me

I'll cross the stream, I Have a Dream

I Have a Dream, a fantasy To help me
through, reality
And my destination, makes it worth the while
Pushin' through the darkness, still another
mile

CHORUS

I'll cross the stream, I Have a Dream

I Have a Dream, a song to sing To help me
cope, with anything
If you see the wonder, of a fairy tale You
can take the future, even if you fail

CHORUS

I'll cross the stream, I Have a Dream
