

Honey honey, how you thrill me, a-ha, honey honey
Honey honey, nearly kill me, a-ha, honey honey
I'd heard about you before I wanted to know some more
And now I know what they mean, you're a love machine
Oh, you make me dizzy

Honey honey, let me feel it, a-ha, honey honey
Honey honey, don't conceal it, a-ha, honey honey
The way that you kiss goodnight The way that you hold me
tight

I feel like I wanna sing when you do your thing

I don't wanna hurt you, baby I don't wanna see you cry
So stay on the ground, girl You better not get too high
But I'm gonna stick to you, boy You'll never get rid of me
There's no other place in this world where I rather would be

Honey honey, touch me, baby, a-ha, honey honey
Honey honey, hold me, baby, a-ha, honey honey
You look like a movie star But I know just who you are

And honey, to say the least, you're a doggone beast

I don't wanna hurt you, baby I don't wanna see you cry
So stay on the ground, girl You better not get too high
But I'm gonna stick to you, boy You'll never get rid of me
There's no other place in this world where I rather would be

Honey honey, how you thrill me, a-ha, honey honey
Honey honey, nearly kill me, a-ha, honey honey
I'd heard about you before I wanted to know some more

And now I know what they mean, you're a love machine Oh,
you make me dizzy
